**RESPONSE TO FINAL OFFICE ACTION** TECHNOLOGY CENTER R3700

In response to the Final Office Action dated June 11, 2001, please consider the attached reissue Declarations. Claims 1-31 and 46-61 stand rejected as being based upon a defective reissue Declaration. As this rejection is believed rendered moot by the attached Declarations, Applicants respectfully request that the outstanding rejection against claims 1-31 and 46-61 be withdrawn. This application is now believed to be in condition for allowance of claims 1-31 and 46-61. However, if the examiner believes that some minor additional clarification would put the case in even better condition for allowance, he is invited to contact the undersigned attorney at (812) 333-5355 in order to hasten the prosecution of this application.

Respectfully submitted,
